

Bella Luna is the completion of a wish to replicate those Italian Restaurants found in New York in the 50's and 60's! Great food, inviting atmosphere and a concern for hospitality first and everything else will fall into place. The name Stephens may not sound Italian but rest assured that it becomes very Italian when combined with my family heritage of Scozzafava and Pettinato.

We celebrate our unique heritage rooted in Calabria, cultivated in New York and brought to Cincinnati because of a beautiful Redhead. After 25 years of marriage and two great kids, we invite you to sample our food and drink, enjoy our hospitality and make Bella Luna your first choice for Italian food
